

North Star Construction co.

Dear Sirs:

This letter is to tell you that the Trustees of the Ashby Congregational church interviewed several contractors for several months, checked references and asked for photos. North Star Construction Sales Representative, Jay Bergeron was very well prepared at the interview. He was very neat and professional each time we met. The crew and Foreman were extremely good workers and we couldn't ask for more.

You are a top notch company and we are pleased to have done business with you.

Our church has a beautiful roof now Thanks to North Star. Walter Minor, Nancy Minor, Rich Foresman, Nancy Chew, Paul Mosher and Richard Catalini  
Trustees of the Ashby Congregational Church.
