RE: Replacement of Roof

Dear Jay:

We at the Martini Insurance Agency are extremely pleased with the job you and your crew did in replacing our roof this past month. From the very beginning in securing the bid to the final walk through, you were extremely professional and a pleasure to work with.

The work performed was explained to us on a step by step basis and no question went unanswered. The work crew was very courteous and hard working, as our business remained open during construction with no interruption.

I would not hesitate to refer your company to anyone I know looking to have worked performed on their roof. The service and professionalism which we received is something your company should be proud of.

Thanks again for a job well done!

Best regards,

Tim Tramonte
